

"Every day is different, with **new topics and new adventures.** That's what excites me about being with Diehl."

MAKE IT WORK

SMARTER

Head of Strategic Purchasing - Category Plastics

These are your tasks:

About Us: Our company specializes in the development and manufacturing of high-quality metering products. "Smart Metering" solutions tailored to current environments and infrastructures worldwide, Diehl Metering S.A.S. addresses the challenge of responsible management of natural and energy resources. Apply at Diehl and join a fascinating technological environment and a unique company known for its tradition, stability, and trust.

Current Situation: Following the departure of one of our team members, we are excited to invite an experienced Strategic Purchasing Manager to join our dynamic team. Reporting to the Senior Head of Purchasing, this role is based in the town of Saint-Louis in the picturesque region of Haut-Rhin. You will lead a small, dedicated team focused on procuring plastic/resin parts.

Key Responsibilities:

- Lead and develop a high-performing team of 3 buyers.
- Develop and implement a Category Purchasing strategy that meets the defined cost, supplier performance, risk management, and sustainability objectives.
- Identify and drive productivity improvement plans and engage in local audits of the France entity.

Who we are looking for:

Ideal Candidate Profile:

- An accomplished executive with training or specialization in Purchasing.
- At least 2 years of experience in a similar role, preferably within an international group.
- Fluent in written and spoken French & English; knowledge of German is a plus.
- Proven experience in project management.
- Excellent leadership and people management skills

Work location: Saint-Louis, Haut-Rhin, Grand Est

Job Level: Professional

Working mode: Hybrid working

Working time: Full time

Employment contract: permanent

Division: Diehl Metering

Start: As soon as possible

- Oversee the day-to-day operational management: gather and analyze requirements, source and manage the supplier panel, conduct consultations and negotiations, and finalize contracts.
- Collaborate daily with international and cross-functional teams to achieve shared goals.

Other Details:

- This position requires periodic travel.
- Financial conditions: To be defined based on the candidate's profile.
- We offer a wide range of benefits, including a modern on-site canteen, social and cultural activities run by the Comité Sociale et Economique, profit-sharing bonuses and a company health insurance scheme.

Achieve what matters, with Diehl.
