Campus Goes Global - Business Development Manager

Shape the Future of Training & Business Development

Join our dynamic team at Diehl Metering and drive the expansion of the Global Campus program within France's sales region, covering Latin America, Southern Europe, and the French overseas islands. Play a key role in shaping the future of business development and training, all while enjoying a flexible work model blending remote and on-site collaboration at our St-Louis premises, in Alsace, France. Make a tangible impact in a growing, innovative environment.

Key Responsibilities:

- Campus Structure Development: Establish and localize SR2 Campus structures, build trainer networks, and ensure successful campus training sessions
- Marketing & Event Management: Design and execute targeted marketing campaigns and organize engaging events to promote training and generate leads
- Content Creation & Update: Collaborate with SBU, BD, Sales, and Marketing teams to develop and continuously enhance training content for utilities and partner programs
- Sales Support & Market Intelligence: Provide market insights, support business development & partnerships, and generate content for market intelligence tools
